Shepherd Scores Triumph.

Charles Shepherd of Salt Lake City, who has for some years been prominent as a student and graduate in the affairs of the New England Conservatory of Music, Boston, took part in a program given by advanced students, assisted by the conservatory orchestra, at the conservatory on Friday, February 16. Mr. Shepherd is taking advanced work in the piano department and his rendering of Tchaikowsky's Concerto in E flat major, for piano, was a remarkable piece of master musicianship. The concerto by the orchestra, and advanced soloists have become recognized as among the most important of the Boston season's musical affairs, and a large audience was in attendance.

Reviving "Robin Hood."

An elaborate revival of "Robin Hood" will mark the celebration of the fiftieth anniversary of the Salt Lake theatre's existence. The production, the dates of which are March 7, 8, 9 and 11, will be sung with two exceptions, by the cast which originally produced the opera here. Mrs. Harold Perry will sing Maid Marian and John D. Spencer will sing his old part of the Sheriff. Misses Evans and Cooper and Messrs. Graham, Piper, Ensign and Douglass assume their original roles. The new members being Mrs. Harold Perry and William S. Russell.

The chorus selected by J. J. McClellan includes the following:

May Soon Hear Andelin.

Willard Andelin, basso, and Mrs. Arville Clark Andelin, also well known in music circles, have returned from abroad and are now at home in Provo for the spring and summer. Both Mr. Andelin and his talented wife scored a success in Europe, and it is the hope of the many Salt Lake friends that they may soon be heard here in concert.

Landerine

Grows hair and we can prove it

Hair Becomes Soft, Fluffy, Lustrous and Beautiful Immediately After a Danderine Hair Cleanse

Get a 25 Cent Bottle Now and Forever Stop Falling Hair, Itching Scalp and Dandruff

A little Danderine now will immediately double the beauty of your hair—No difference how dull, faded, brittle and scraggy, just moisten a cloth with Danderine and carefully draw it through your hair taking one small strand at a time. The effect is immediate and amazing—your hair will be light, fluffy and wavy and have an appearance of abundance; an incomparable lustre, softness and luxuriance, the beauty and shimmer of true hair health.

Try as you will after an application of Danderine, you cannot find a single trace of dandruff or a loose or falling hair and your scalp will not itch, but what will please you most will be after a few weeks' use when you will actually see new hair, fine and downy at first—yes—but really new hair—sprouting all over the scalp.

Danderine is to the hair what fresh showers of rain and sunshine are to vegetation. It goes right to the roots, invigorates and strengthens them. Its life-producing properties cause the hair to grow abundantly long, strong and beautiful.

Get a 25 cent bottle of Knowlton's Danderine from any drug store or toilet counter and prove to yourself tonight—now—that your hair is as pretty and soft as any—that it has been neglected or injured by careless treatment—that it is all you surely can have beautiful hair and lots of it, if you will just try a little Danderine. Real surprise awaits you.

CALICO BALL PROVES IMMENSE SUCCESS

One of the most pleasing and successful dancing parties of the week was held last Thursday evening in the Twenty-first ward amusement hall, where the fun took the form of a calico ball. The girls' costumes of calico were many and varied, while the faces of the boys beamed above gorgeous calico neckties.

The hostesses of the evening were the Misses Margaret McKenzie, Ada Spencer, Rita Forcher, Norma Petersen and Lola and Bernice Lyman, while Mrs. Annie E. Pierce and Mr. and Mrs. Ambrose S. Brigham were the attending chaperons.

Claimants' Appeal Denied.

Judge F. C. Loofbourow in the Third district court yesterday denied the application of the claimants of the estate of Thomas Cummings for the appointment of O. C. Brown as administrator. The special administrator, Harry Sorenson, was instructed to bury the body of Cummings, which is lying at the undertaker's.

"My, Look at Those Pimples!"

There's No Excuse for Blotches, Blackheads and Pimples. The Right Way to Get Rid of Them Is by Taking Stuart's Calcium Wafers.

Trial Package Sent Free to Prove It.

Many people are continually using lotions and creams on the face and wondering why they make so little permanent impression upon pimples, blotches and blackheads.

It's because pimples and eruptions come from the inside—from impure blood—and you can't cure them by rubbing stuff on the outside of the face. Purify the blood and the blemishes will disappear.

Stuart's Calcium Wafers will often clear the complexion in a few days' time. That's the wonderful part of it—they act right off—in a hurry. That's because they're made of just the ingredients needed to drive all poisons and impurities from the blood. That's why doctors prescribe them so constantly.

You will speedily enjoy a beautiful complexion if you use these wonderful little Wafers. Your face will become as clear and pure as a rose. No body likes to have pimply-faced people around. With Stuart's Calcium Wafers you don't have to wait for months before getting results. Even boils have been cured in a few days' time with these remarkably effective blood cleansers. Your whole system will feel better in a marvelously short time, and, my, what a difference in your looks.

Write today for a free trial package of Stuart's Calcium Wafers. Address F. A. Stuart Co., 175 Stuart Bldg., Marshall, Mich. Then when you've proved to yourself how good they are, you can get a full-sized package at any drug store for 50 cents.

SEEKING GOVERNMENT AID FOR STATE FAIR

Secretary Horace S. Ensign of the state fair association is directing his efforts toward securing aid from congress for the fair, in pursuance of a resolution proposing that the government appropriate \$100,000 to every state owning its own grounds for fair purposes.

The resolution asks that permanent buildings be erected in such states of agricultural and domestic art exhibitions. Mr. Ensign says that the Utah congressional delegation has promised to support the proposition, and he is engaged in sending correspondence to other states situated similarly to Utah, asking that their respective delegations in congress be urged to support the measure.

He, in turn, is in receipt of many letters adverting him to remain faithful to his advocacy and see the matter through to a successful result.
